GERMANY'S MOST BEAUTIFUL CIRCUSTENT

A unique venue for your event!

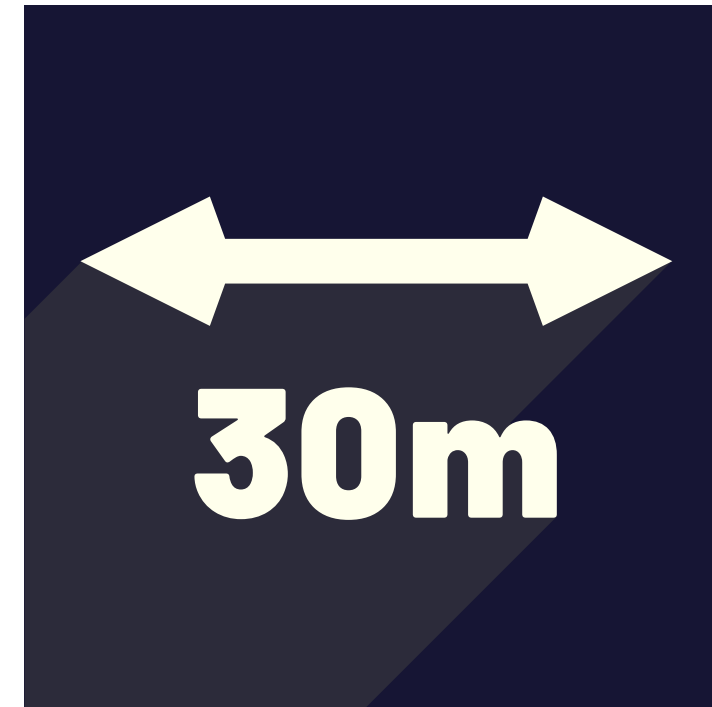

Be it a **corporate event, product presentation, wedding or cultural event**, with this tent you rent a unique and innovative venue for your event.

The tent can be used all year round throughout Germany and Europe - in any weather. It is a champagne-colored, opaque **30m palace tent** with sloping side walls. The tent is crowned by a stylish round arch in lofty 15m height.

All from
one hand!

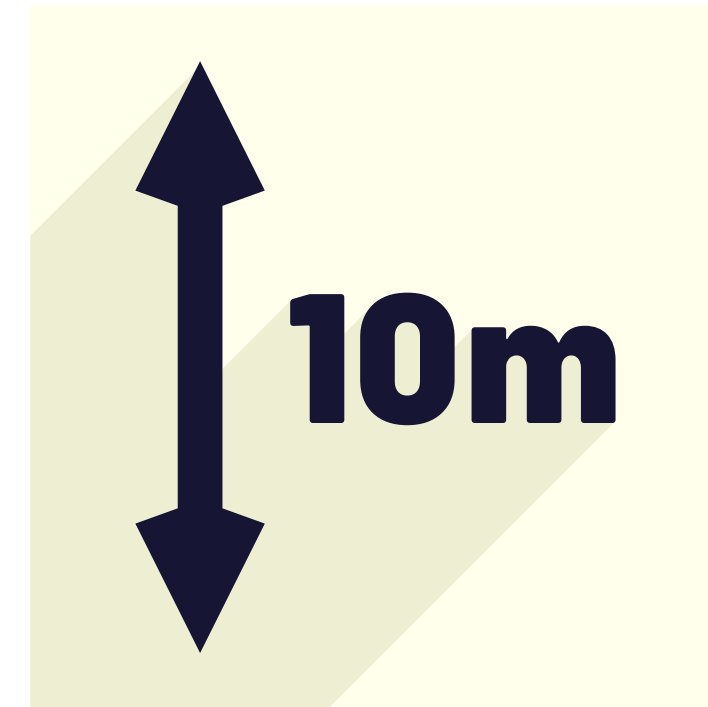

The tent at a glance!

Room for your ideas!

Dream big - This unique circus tent provides ample space for your **corporate events or weddings**. The opaque, champagne-colored sidewalls create a stylish atmosphere in which your ideas can unfold.

Height for more!

The impressive inside with its breathtaking height of **10.5m** and high resilience of the cupola, offers endless possibilities for complex lighting and suspensions for **cultural events of all kinds**.

Space for everyone!

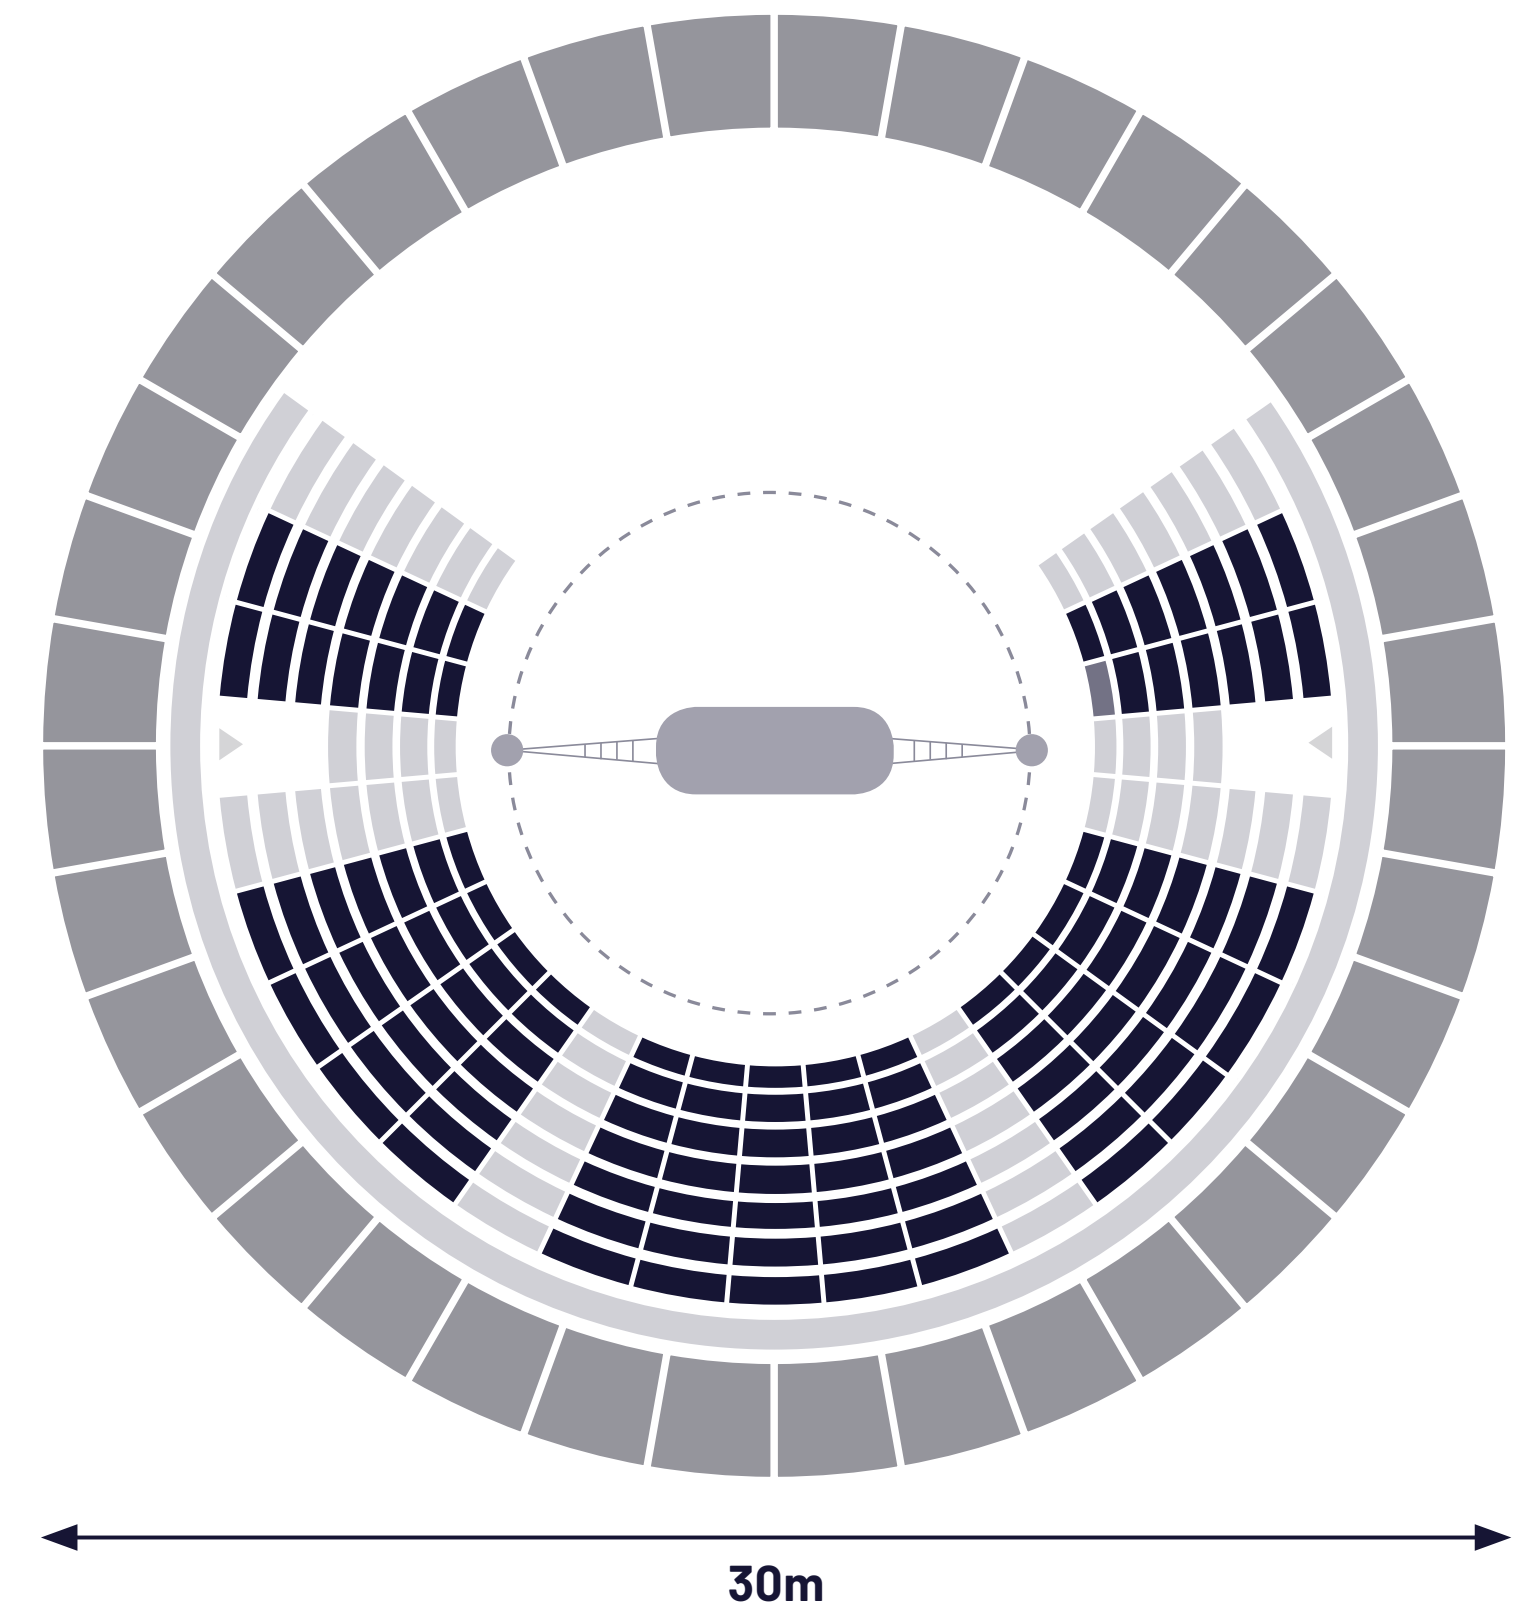

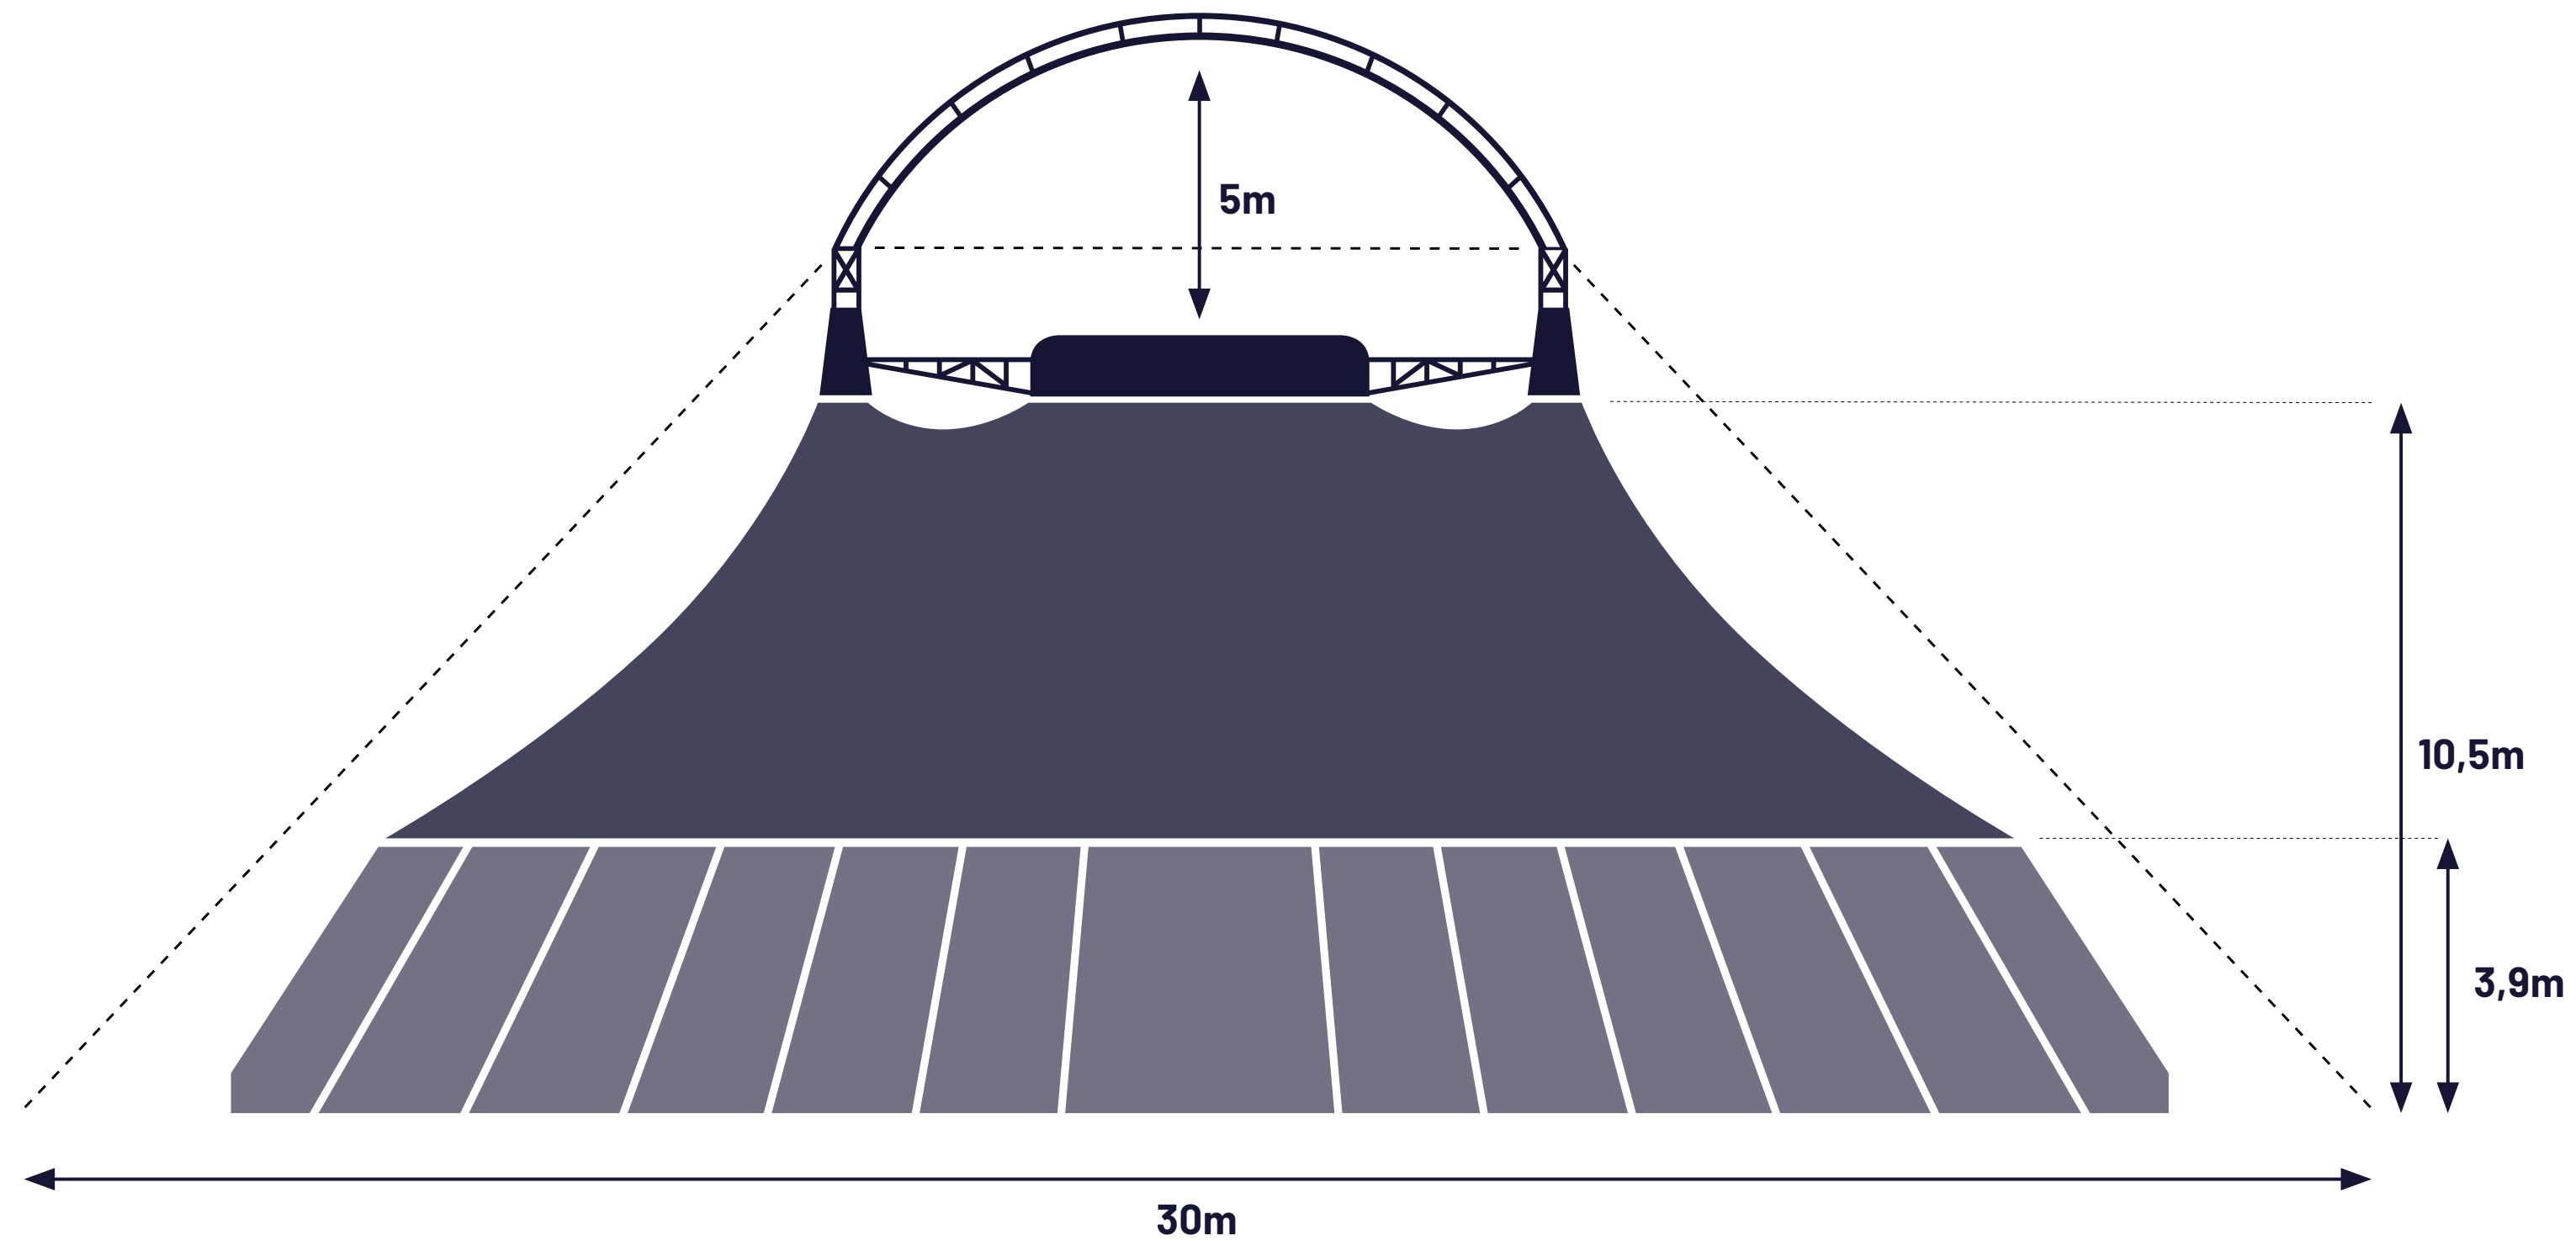

With a capacity of **450 seats** on the custom designed grandstand, the tent offers a unique viewing experience for spectators, perfect for **product presentations and conferences**. The seating can be individually designed.

More flexibility!

Without grandstand, the tent has a capacity of up to **900 people in 550m²** and offers numerous options for flexible room design at **concerts or events**.

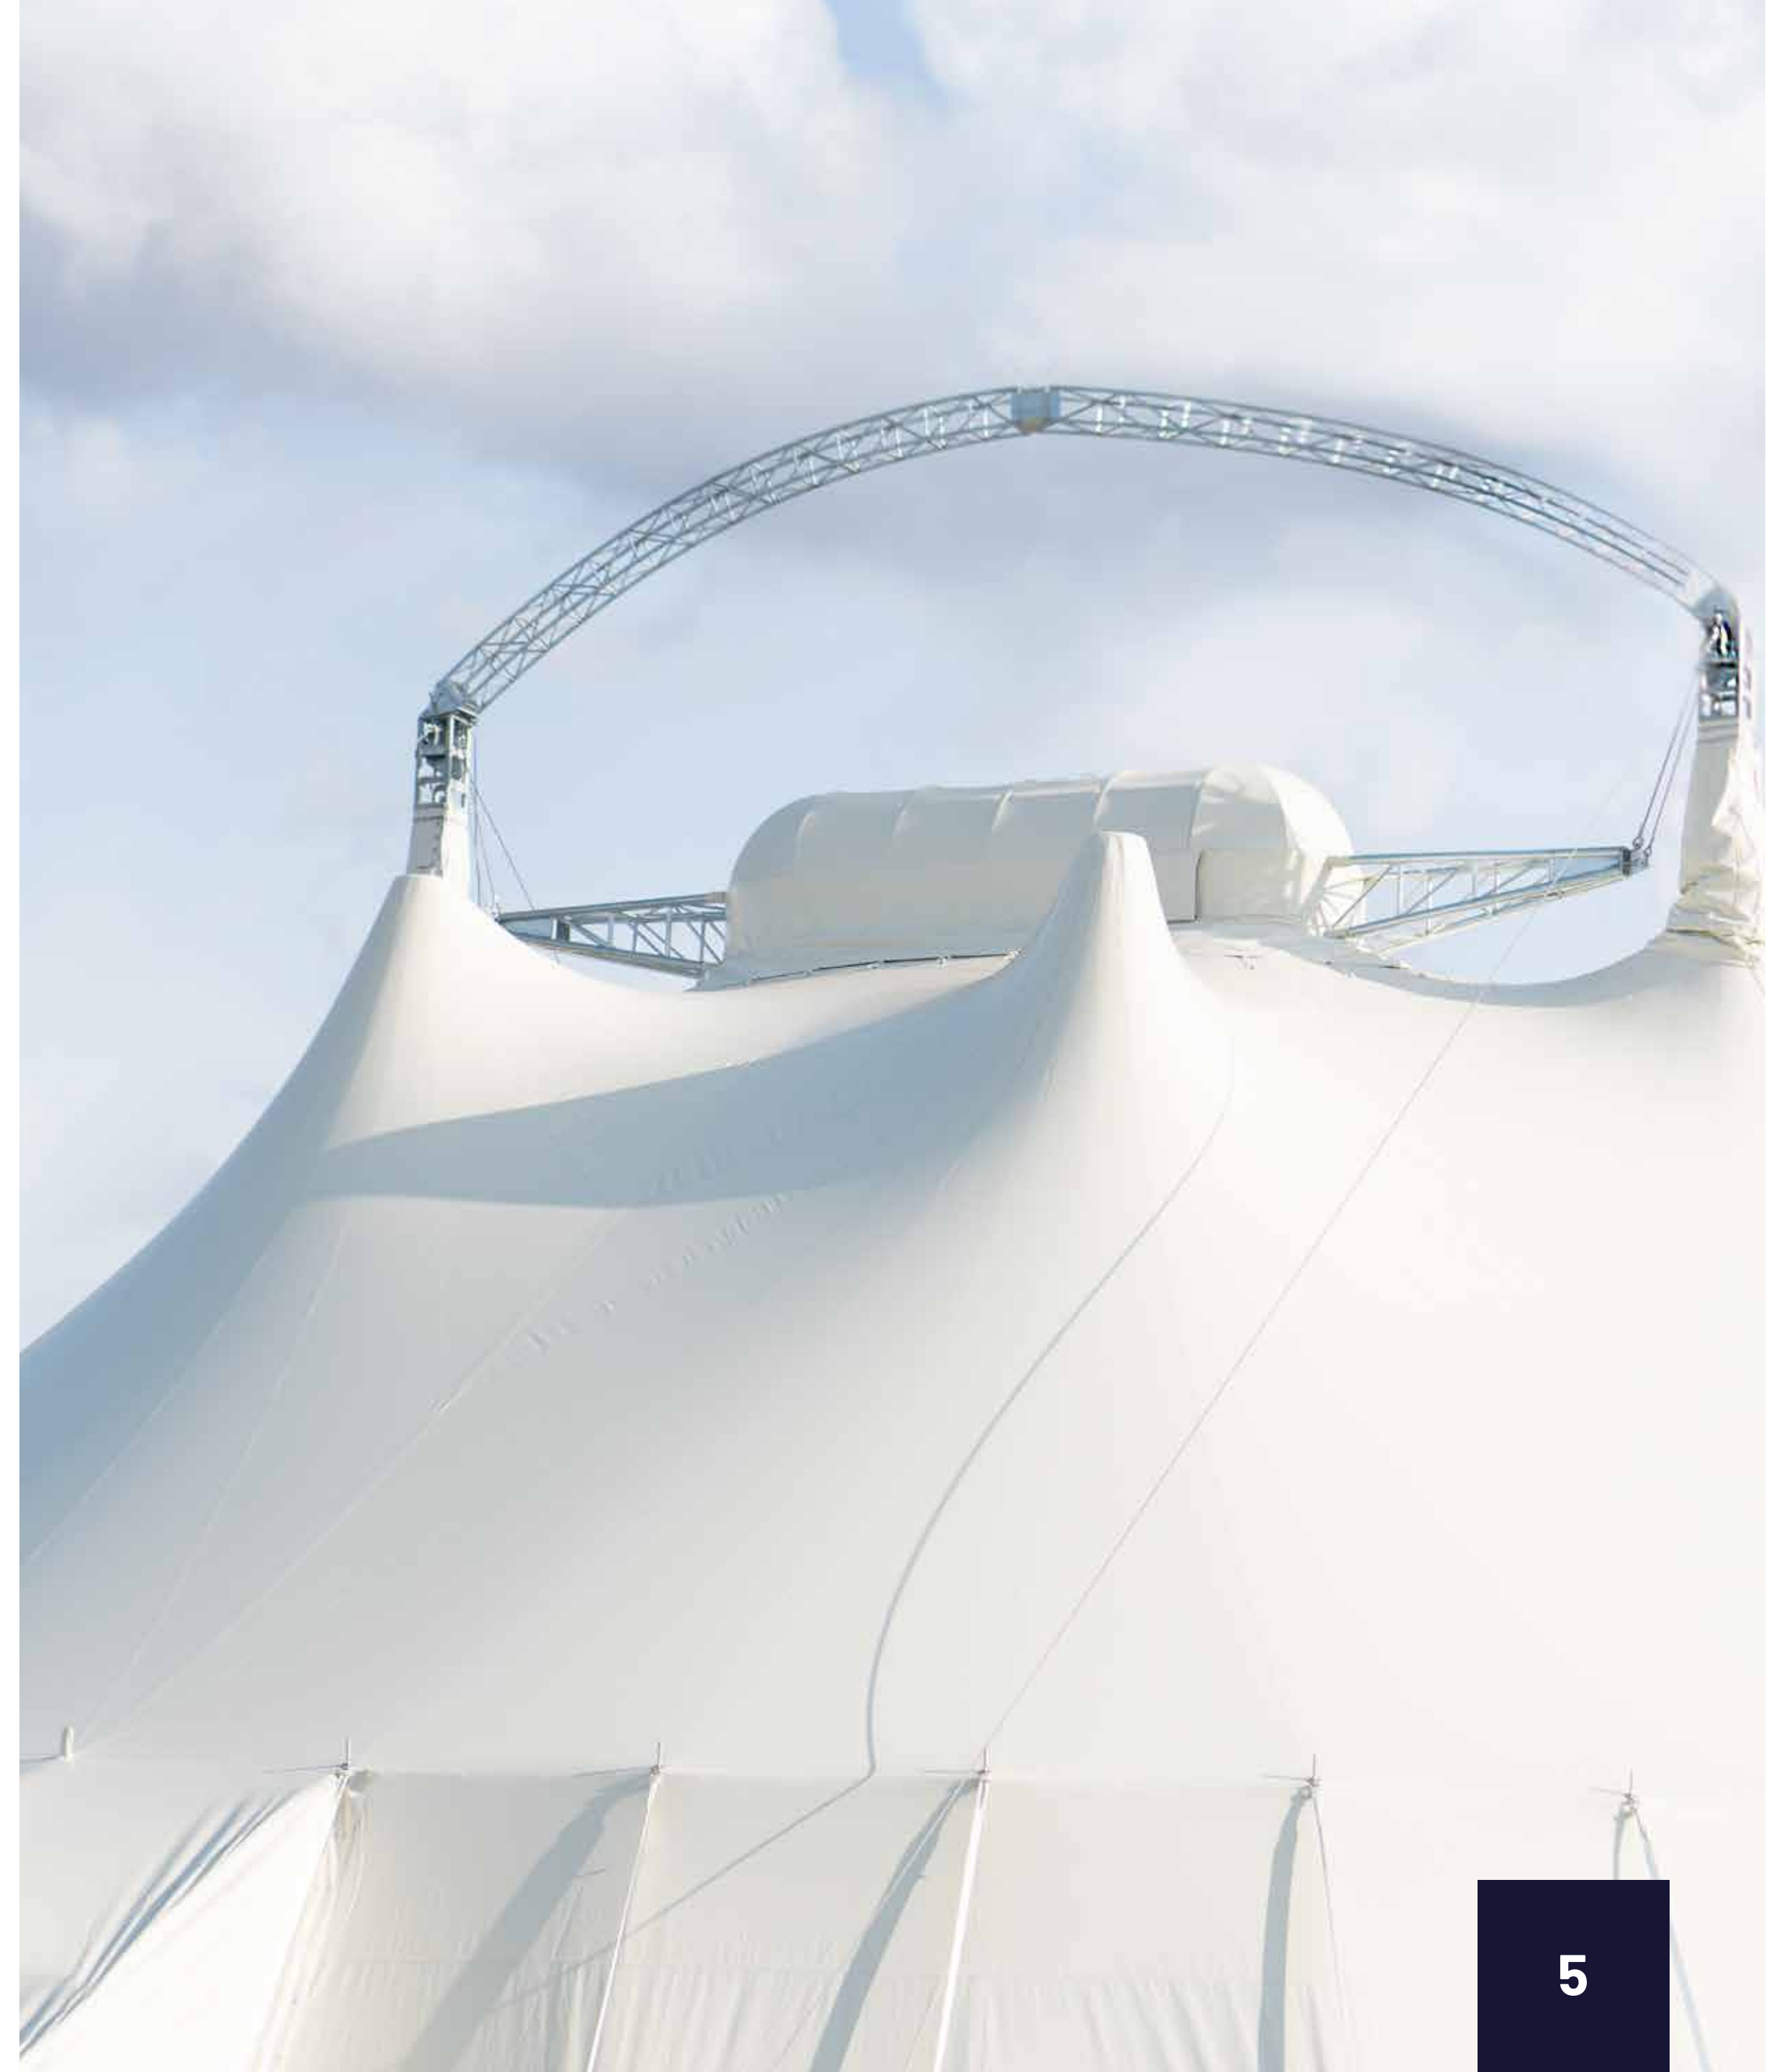

Space for everyone!

All from one hand!

In addition to the construction and dismantling of the tent, we also like to take care of the construction inspection, insurance and a suitable area for your event.

As a **full-service agency** with many years of experience in the event sector, we are happy to assist you. Whether light and sound technology, artist education, interior design or the design of the **stylish round arch in airy 15m height with your logo**, we realize your wishes.
